Sir,

period of six months,

Having now had experience of this gentleman's work in his present capacity for a sufficient time to form a definite opinion, I have come to the conclusion that he possesses the necessary qualities and character for the responsible position of Assistant in attendance on His Highness, and the Special Establishment will be strengthened by his permanent addition to the Staff.

Mr. M.G. Narayanaswamy informs me that about 4 months hence he, in the ordinary

ordinary course would be entitled to draw in the Judl Deptt Rs 200, the amount of his present salary here. I would propose that his pay should be Rs 250 per mensem from the date of his further transfer, rising by annual increments of Rs 50 to Rs 450, a maximum which he will enjoy for only the short time between march and May 1902, when his appointment as Assistant Jator will cease. XXXI.

Since making the entry in 1878, in the service register of Mr. Ramachendra Rao, I have had a further opportunity of judging of his character and qualifications during the seven months in which I have acted as Commissioner of the Division. I can safely endorse all that has been said in his praise by Lieutenant Colonel J. A. Campbell. I trust that his services may give him a claim to being suitably provided in the coming changes.

(Signed) W. HILL,

The Treasury Officer Mr. K. Ramachender Rao has been only a few days in charge, but having been long employed in this Office, he is fully conversant with his duties so for as I have had means of judging.

XXXIII

Para 89 of the Shimoga District Revenue Administration Report for 1879—80.

[Signed] V. N. NARASIMIANGAR,
Deputy Commissioner.

XXXIV

At the time of the revision of the establishments in this Division, Mr. Ramachender Rao had been acting Manager of the Commissioner's Office for some years. On the abolition of the latter Office, the Chief Commissioner, was pleased to appoint him temporarily as an Assistant Commissioner giving him a personal allowance to make up his salary to Rs. 250. The temporary arrangement having now ceased, he reverts to the post of second grade Amildar. His services under myself were very brief, but the high commendations he has received from the several Officers under whom he has served for lengthened periods, sufficiently attest the excellence of his abilities, as

well as of his character. I should say that he excels in the capacity of collecting and arranging details. His revenue experience is considerable, and his services could be utilized to the best advantages, in my opinion, in a ministerial office, where the duties consist of preparing precis and memoranda.

He is moreover most methodical in business, and an indefatigable worker.

SHEMOGA,
18*th November* 1880.

(Signed) TREDWAY CLARKE,
District and Session's Judge.
and late Commissioner Nagar Division.

XXXV

Mr. K. Ramachender Rao was associated with me as Treasury Officier, Shimoga District, from the 16th January 1880 to the 16th November 1880, and I am happy to be able to testify that during this period he made himself very useful. His intimate knowledge of Revenue details, painstaking habits, and undoubted industry have enabled him to afford me entire satisfaction not only in the conduct of the duties belonging to the Treasury, but also in the disposal of the miscellaneous work referred to him from time to time from the Deputy Commissioner's Office. He has also shown much patience and tact in the management of his subordinates. I am very sorry to be deprived of so useful a coadjutor.
